

Luke: The Gospel Cares
Jesus & The Kids Luke 18:15-17
November 16, 2025

Life is fragile and modern medicine has had a huge impact on life expectancy. But ultimately our lives are in The Lord's Hands.

Exposition:

1. Jesus was approachable.

- The gospel cares
- Jesus' demeanor was welcoming.
- Two key words: infants and toddlers

2. Jesus' congregation

- down and outers
- common people
- the religious crowd
- disciples
- also, a few parabolic characters

3. Jesus' servants

- protecting Jesus (like the Secret Service)
- people fatigue

Does our "ministry" need to be submitted to the scrutiny of the Holy Spirit? Are we serving where we should and how we should?

4. Jesus' application

- Contest! The self-righteous Pharisee and the rich young ruler
- They focused on their own merit.
- Contrast those guys with childlike faith.

Application:

- Two key words: receiving and enter.
- Have you come to The Lord in childlike faith? Would you like to talk? I would love to meet with you!
