From Don's Desk

Dear Lakes,

How many of you remember playing Hide & Go Seek as kids? Ha! I googled what we used to call out, “Olly, Olly oxen free.” I had no clue that its origin was German. Well, that’s a story for another time.

One of the reasons I like fall is because its like calling out “Olly, Olly oxen free” to everyone who has been “out” during the summer. Actually, attendance has been good with an average each Sunday just under 170 in the auditorium. That does not count our kids. As you know, the auditorium has been full. Thank you to those of you who have been moving up and in. You're my favorites!

Praise the Lord our offerings have been above budget this summer. Thank you for your faithfulness! Typically, churches have a summer slump in attendance and giving. Your faithfulness is a testimony to God's grace in your lives. God bless you and thank you.

With about a week left in the summer, our attendance should inch up a bit. The elders have been talking about our auditorium seating options. Stay tuned.

God bless you friends!
